DC CONDUCTOR RAILS

(DCCR)

Requirements

Learners must be 16+ and bring along valid ID (Passport, Driving license or ID card) and must bring 2 Passport size picture. Also candidates must bring National Insurance and Proof of Address.

Candidates must already have a Valid Sentinel Card with the relevant Medical and D&A assessments.

Availability

Courses will be scheduled upon receiving the Maximum 12 learners per session.

Courses run every week so book in advance to avoid any disappointment. Please contact us via email on info@tectraining.co.uk or 02074761111 for any specific requirements.

About

To provide candidates with the skills and underpinning knowledge to enable them to undertake work near or adjacent to DC conductor rails; it is designed to provide the delegates with the skills, knowledge and behaviours required to work safely near or adjacent to DC conductor rails.

Who is the Course Suitable for?

Any person who will be required to undertake work in and around 3rd and 4th rail areas must have this competency on their Sentinel Card. This can be undertaken as a third days training following a PTS Initial.

Key Facts

- **Course Duration:** 1 Day
- **Venue:** Canning Town, London
- **Price:** £120.00 (All prices subject to VAT)
- **Includes:** DCCR

Course Objectives

Upon successful completion of the course, the candidates will have the skills and knowledge and understand the behaviours required to work safely near or adjacent to DC conductor rails.

They will be able to describe the principles of the DC electrified system, identify the main components of the DC system and the hazards and risks associated with working DC conductor rail areas.
