About Emergency First Aid At Work

This Regulated Qualification is ideal for anyone wishing to become an emergency first aider. This provides learners with skills and knowledge to deal with first aid situations in low risk workplace environments for the Health and Safety (First-Aid) Regulations 1981 and the Health and Safety (First-Aid) Regulations (NI) 1982 purposes.

As this is a Regulated Qualification, an Employer who obtains training from our Approved Centre is not required to carry out any due diligence on the training provider in order to ensure the suitability of the training (HSE statement).

Assessment

The practical Learning Outcomes are assessed by observation. Multi Choice Questions (MCQ) for theory and underpinning knowledge. To Award this qualification the Learner must 100% pass of the assessments carried out by observation together with a percentage pass in the MCQ paper.
