TEC TRAINING (GB) LTD

COMPANY POLICIES MANUAL

Tec Training is committed to minimising the environmental impact of their activities and aims to achieve continuous improvement in environmental performance. Tec Training Ltd will:

- ◆ Keep abreast and comply with legislation, regulations and codes of practice on environmental matters relevant to their operations.
- ◆ Minimise the environmental impacts of their site and their effects on local communities by keeping the site orderly and tidy, conserving natural habitats and wildlife, archaeological heritage; and adopting reasonable controls for preventing air, ground, water and noise pollution.
- ◆ Communicate with and be sensitive to local communities and others with an interest in their environmental policies, plans and performance.
- ◆ specifically protecting the environment, with reference to aspects of work activities that are environmentally significant
- ◆ specifically minimising the environmental impact, for the life cycle; (including disposal), of plant, equipment, and other physical assets under the control of the organisation
- ◆ Ensure that sub-contractors adhere to environmental policies and procedures.
- ◆ Use all forms of energy efficiently so as to not waste resources or cause unnecessary pollution.
- ◆ **Ensure all medical equipment is disposed of correctly**
- ◆ Set environmental objectives and targets that are consistent with this policy and other project policies, and monitor performance.
- ◆ Monitor and review environmental performance and audit compliance to procedures to ensure standards are being maintained whilst highlighting potential areas for improvement.
- ◆ Promote environmental awareness and commitment.
- ◆ Establish emergency procedures and notify clients and competent authorities of environmental problems encountered during construction, and jointly resolve such issues.
- ◆ Tec Training Ltd is responsible for ensuring compliance with this policy and reviewing performance within the work place.
